SATURDAY, SEPT. 7, 1974

12:00 NOON

**Danville Livestock Commission Barn
Danville, Illinois**

SELLING:

**8 Bulls
30 Cows with Calves
20 Bred and Open Heifers**

First-prize aged herd at the 1921 International Livestock Exposition were, these exhibited by Leemon Stock Farm. Each won its class. Three were champions. The white bull on the left is Ceremonious Sultan x, five times an International Champion! Third from the left is the International grand champion female, Princess Sultana x; fourth is Ceremonious Queen of Scots x, once International junior champion and twice International grand champion.

74 YEARS OF BREED IMPROVEMENT

Although every facet of the beef industry benefits from many different persons with many different talents, no one can deny that the backbone of the business are those hard working folks who stay on the job for decades. These are the people who, year in and year out, make the greatest improvement.

Such is the enterprise at Leemon Stock Farm, and has been since the turn of the century. In 1901 Charles and John Leemon were among the most respected young farmers in the fertile region of East Central Illinois.

With great pride we invite our friends and fellow breeders from throughout the country to join with us in this historic sale of Polled Shorthorns.

The cattle have been the major part of the Leemon family farm since 1901. We have enjoyed them and in turn they have been good to us. The work of my late father and uncle was a rich heritage which is now being carried on by the third generation of the family.

Not only does this sale mark an important milestone in the history of the herd. It also gives us an opportunity to share some of each of the families that have done so well for us. We feel that the large number of cows with calves at foot (and rebred) present real buying opportunities. In most cases we are selling the cows and retaining a daughter or full sister to carry on in the herd.

Don't come expecting to see anything fancy or cattle that are heavily fitted. We just don't do it that way. But this is a practical breeding herd kept in prolific condition and that is the way they will be sold.

We are particularly pleased to have a guest consignor, Don Johnson & Sons, Hoopeston, Illinois. These are well bred cattle and nearly all will have calves at foot. We are glad to have Don with us and we recommend his cattle as we do our own.

Due to loss of lease of pasture land, which is being sold for industry we have decided to have a production sale.

CHARLES B. LEEMON & SONS

From the Sale Manager:

There are few herds that boast of 74 years of breeding Polled Shorthorns. The Leemon Stock Farm Herd is Nationally known and they hold a prominent place among the breed's leaders. The Leemon Stock Farm has always been a family interprise and they have won top honors at major shows and have sold among the top breeding cattle in the nation.

I have recently seen this herd of cattle. The cow herd has size, length of body and lots of quality. The herd bulls are from top selections.

Lloyd "Pop" Saxe

Lee Dale Collynnie x was the International grand champion bull in 1938. He was used with great success in the Leemon herd.

Heather Baronet 2nd x was grand champion at the 1949 Illinois State Fair and first-prize winner at the 1949 and 1950 International Livestock Expositions. He was apolloed grandson of the famous Kirkton Baronet.

L F Fashion x was the International reserve grand champion in 1956 at which time he was purchased for the Leemon Herd. His dam also produced the record-priced \$5,000 Roberta x This sale is rich in his blood.

TRUEVIEW STATELY LEADER x— One of the great bulls we have ever used. We are keeping many daughters and selling a large number of cows or we would not part with him. He is just 5 years old and we have 4 calf crops by him and they have been great. He weighs nearly a ton in pasture condition, is very sound and sure and has a great disposition. He is a double bred Coronet Max Leader and by a full brother to Mighty Mr. Modern. This bull can put your herd on the map. Not many bulls that are of this caliber are offered for sale.
